
Santiago, Chile - April 2021

Greetings Dear Brothers and Sisters,

I pray that you are all doing well both physically and spiritually as we see 'The Day' approaching!

Today in Chile, more than 50% of citizens have received the Covid vaccine. I have already received the second dose and Lorena will receive hers' this week as well. Thank you for your continued prayers over our Family.

We continue in our Sunday series 'The nature of the Shepherd - understanding eldership' teaching st the Church of Christ in Los Nogales.

Myself and fellow Elder Raúl Fernández meet every Friday to pray, teach and share our experiences with our future Elder Canditates.

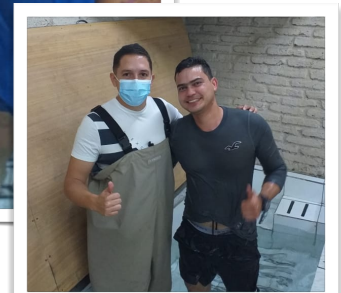

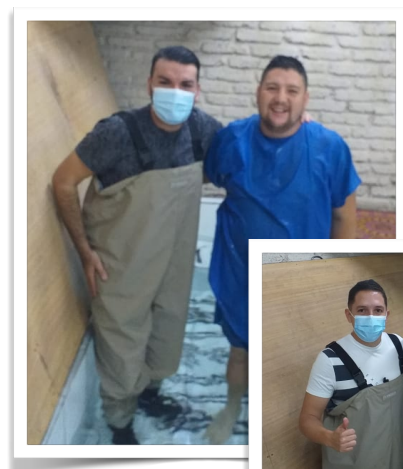

We also continue in new evangelistic opportunities and have been preaching the gospel of Jesus to some new contacts. Praise be to our God, Gerardo and Diego obeyed the gospel by joining Christ in baptism.

Additionally, the church continues to serve those in need and meet the basic needs of families who are losing their jobs.

Finally, I continue teaching the churches of the Lord in Latin America, the United States and Europe with Spain and Portugal.

A hug and we continue to pray for each other.

Much love in the Lord,
Pedro "El Socio"

'Don't stop meeting together with other believers, which some people have gotten into the habit of doing. Instead, encourage each other, especially as you see the day drawing near.' -Hebrews 10:25
