

Dear beloved friends,

I hope you are all doing well. Here is an update from the month of July.

Wilson Vloria and his family in Santiago

Wilson Vloria is one of our evangelists working with the Church of Christ in the city of Antofagasta. Due to several circumstances, he has not had the opportunity to enjoy some much deserved vacation time.

Some of the Churches decided to invite him, his wife and three kids to spend two weeks in different parts of the city of Santiago. During their visit they were able to see snow for the first time in the Cordilleras, visit a zoo, go the movie theater and take the kids to do several recreational activities.

Baptisms in Nogales

In the last days of June, the Church in Nogales has celebrated in the presence of God and His angels, 6 new births for the honor and glory to our God.

"Houses of Refuge" in Nogales

The Church in Nogales has started a new ministry called "Casas de Refugios" or "Houses of Refuge" in different sectors throughout greater Santiago. The purpose of these homes is to offer members easier access from their homes to be able to study and fellowship with other brothers and sisters in Christ.

Sector Pointe of Santiago **Sector Oriente of Santiago**

**Sector Buin
Outside of Santiago**

Sector Santiago Center

**Sector Los Nogales
of Santiago**

The "Believe" Ministry

For the first time our Church has formed a new ministry called "Creer" or "Believe." It is made up of young adults, ages 20-30, who gather with the purpose to serve at nursing homes and children's homes and orphanages.

Marcelo Toro and family

In July we were able to visit missionary Marcelo Toro with his wife Matraca and two kids in La Serena. We had a wonderful visit spending time encouraging them with prayer, Bible study and fellowship.

Prayer Requests

Prayers for our brother Hector Silva who is hospitalized with a stroke.

Prayers for our sister Alicia Salgado who was also hospitalized with a stroke caused by a brain hemorrhage.

Hugs to my friends in Christ, Your Partner Pedro
