

HELLO, DEAR BROTHERS AND FRIENDS.

VISITS

The months of February and March have been a great blessing for the church of Nogales due to the abundance of visitors who have honored us with their presence.

First, we had the visit of our beloved brothers from Louisiana, Roberto, Elba and his son Levi Benitez. The purpose of their visit was to encourage our church and make a great offering towards our building project to the glory of God

Second, we had the visit of our friends from Lexington Kentucky, Alvin Cox and Jan Taylor. They met with the elders and ministers, in order to know more about the plans and projects for Nogales in the future.

And third, our great friend and brother Bryan Piñan from Ecuador, who came to edify our church in Nogales, la villa and Antofagasta.

CELEBRATIONS

We also celebrated the 60th anniversary of our brothers German and Trinidad who have been a great example of commitment to our church.

And of course we celebrate the long-awaited marriage of our son Pedro Israel who tied the knot with our new daughter in law Andrea. There is joy in each of us!

MISSION CHILE

Mission Chile held our first national mens conference with the purpose of promoting communion between the leaders of the Lords churches . This mens conference was attended by between 80-90 mens.
