

Cebu Bible College MINISTRY TEAM

YEAR 2023

26 Committed Students this Year

Cebu Bible College is extremely thankful for your partnership in expanding God's Kingdom in Cebu, Philippines. We started the Fall semester with 26 committed students who are eager to be equipped for ministry. Because of your generous support God enable our students to be trained in sharing the gospel, evangelizing the lost, teaching kids, leading youth groups, organizing youth camps, being involved in preaching in the jail, and reaching out to street kids.

Weekly Evangelism

On weekends our students partner with church planting teams to gain experience in touching the lives of the people in the community for Jesus.

CHILDREN'S MINISTRY

Children's Ministry Students for 2nd Semester

"Let the little children come to Me, and don't hinder them, for the Kingdom of God belongs to them." Jesus

This year our children's ministry team was successfully making a difference in the lives of hundreds of kids in the different towns and barangays throughout Cebu as well as on other islands during their summer fieldwork. Our students enjoyed teaching the children who Jesus is and to love God, through kid's worship, games, arts and crafts, workshops, and many other fun Christian activities. Our students often lead Vacation Bible Schools during their Summer Field Work and continue to teach children during their weekly evangelism. Our students are learning the importance of teaching children.

MINISTER'S CONFERENCE

It's been 3 years since the minister's conference due to pandemic, but thanks to God for opening the door for ministers to come together and be encouraged for 5 days of seminars, daily activities and applications. Thanks to Southside church of Christ for sending Kevin Wooten and Ron Matar for the incredible lessons they shared in this year's conference. We also enjoyed evening devotionals from CBC alumni and songs from this year's Straight A singers.

Church Plant Updates

The Philippine ministry work where CBC graduates are involved have resulted in churches planted in different towns throughout Cebu. This year through the hard work of these ministers we had 48 baptisms, through weekly Bible studies and house to house activities to seek and save the lost. God has been working mightily in the lives of our ministers.

MINISTRY WORK

The journey of being in the ministry includes challenges, sacrifices and moments of profound transformation. It is a testament to the love of Christ that we received that translates to our love to share Jesus and God's love to the people around us.

Thank you for praying for CBC and the ministry and believing in us.
