

PEDRO SANCHEZ REPORT

February 2024.

Hello beloved friends,

We had an unforgettable experience in the city of La Serena.

My children Marcelo and Matraca invited us to their house in the fourth region of Chile, the city of La Serena to enjoy a week's vacation with my wife Lorena and my daughter Aylin. When we arrived at Marcelo's house on Monday, there was a meeting of "evangelical" pastors to share a Biblical devotional and pray. The pastors gave me the opportunity to share "my testimony" of how God called me with His grace. When I finished sharing my testimony and the transformation of Jesus in my life, one of the pastors got up from the table, walked toward me, gave me a hug, and crying told me: "Peyuco (nickname for Pedro), the bandit from Los Nogales (where I am from), I knew you and I witnessed what your old life was like and how now God has changed you to be his instrument." There was a moment of great excitement and rejoicing with everyone present. We got up to glorify God for his great love and mercy.

The next day one of the pastors invited us to teach the Word of God at a rehabilitation center for adolescents and young adults. There was a lot of joy in the young people when they saw the great power of God in the life of a former drug addict and delinquent.

It was a week full of joy, where I was able to enjoy this vacation to the fullest where God had this door open for me.

My wife Lorena after all this rich experience in La Serena, arriving in Santiago my beautiful and beloved wife spoke to me about what happened and told me: It's all good that you've preached the gospel, but we need to go on vacation again because we went to visit family members and not do extra work and the answer was: "Amen Lorenita haha"

BELIEVE GROUP

This group is made up of young adults from the age of 25 onwards. His ministry is based on going to orphanages to play and share with the children at the same time giving them small Bible classes and activities. They also carry out activities and provide help to nursing homes and people in street situations.

ZOOM CLASSES

Every Wednesday I am giving zoom lessons from 1 Corinthians 13:1-13.

During January and February, our group studies were cancelled; instead we met at the church building on Wednesdays to continue feeding on the Word of God and to have a delicious coffee with the brethren.

I ask for your prayers for the trip to United States in the month of March together with my friend and evangelist Masaru Guzman. We will be traveling from from March 7th to April 1st for a campaign in the cities of Tulsa, Oklahoma and Dallas, Texas.
