

PEDRO SANCHEZ REPORT

March 2024.

Hello dear friends, I hope you are well with God's help. We traveled from March 7 to April 1 to the United States with the evangelist of the church of Christ the Los Nogales Masaru Guzman. I want to thank God for my dear friend Masaru. It was a great instrument and a blessing for all of us.

TULSA OKLAHOMA

In Oklahoma we held 2 workshop. One was offering Timothy's second letter and the second workshop was to establish deacons and elders. The issue of leadership we believe will soon bear fruit, Lord willing.

They also invited us to carry out an evangelistic campaign.

The my are the men preparing to be deacons and elders.

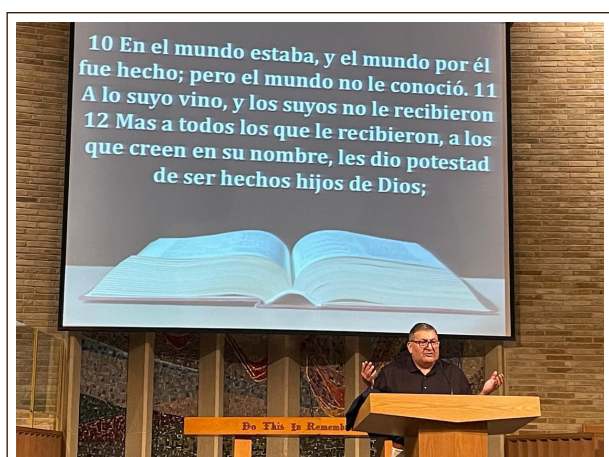

CHURCH OF CHRIST LA BOND

I give infinite thanks to God for the great work that was done in the church. We were sharing a series from John 13 to 17 "Jesus loved them until the end". About 14 visiting congregations gathered. We had wonderful days sharing the word of God and rich communion with all the brothers

CHURCH OF CHRIST WALNUT HILL DALLAS

We had a great evangelistic campaign, very uplifting and spirited thank God!

BAPTISMS

We had about 7 baptisms for the glory of our Lord Jesus Christ.

Our dear friend Bob Young and Herman Alexander. We had some very good conversations about the mission in the world. It was something extraordinary!
